

## What's in the box

Handset

2 AAA battery

Charger

Base station

CDROM

Quick start guide

2 Power supply units

Line cord (and line adaptor if relevant)

In multipack sets you will find additional handsets, chargers with their power supply and additional rechargeable batteries.

### What else will you need

A desktop or a laptop with free USB port

A telephone line

Broadband Internet connection.  
Microsoft® Windows® XP-based PC.  
Windows Live™ Messenger installed on your PC and a Windows Live™ Messenger account. See <http://get.live.com/messenger/overview>  
**Note:** Microsoft Internet Explorer version 6 SP1 or later must be installed on your PC, though it does not need to be your default browser.

## 1 Connect

### A Connect to main supply

- Insert the plug of the power cord into the socket on the bottom of the base unit.
- Plug the power supply unit into your power outlet.

### C Insert batteries

- To remove the battery compartment, unlock the battery door lock at the bottom of the handset.
- Place the 2 rechargeable NiMH AAA batteries, observing their polarities, into the battery compartment on the handset.
- Slide the battery door firmly into place until the battery door locks.

### B Connect the line

You may find in the box the line adaptor. In this case, first plug this line adaptor onto the line cord before connecting it to the line socket.

- Connect the telephone line cord to the phone socket on the back of the base unit and to the wall phone socket.

### D Connect the charger

- Insert the plug of the power cord into the socket on the bottom of the charger.
- Plug the power supply unit into your power outlet.

### E Charge handset

Handset may not turn ON for up to 15 minutes if the batteries are too low.

- Before first use, put the handset on the charger and charge batteries for 24 hours minimum.

## 2 Install

### A Getting ready

- Power up your PC and go to <http://get.live.com/messenger/overview> to install Windows Live™ Messenger and create your account (if not already done).
- Connect the USB plug directly to your PC's USB slot.
- > Once your handset is powered up, you will see WELCOME message on the display.
- Press any key to enter the Country menu.
- Press **Up** or **Down** to select your country. Press OK to confirm.
- > Your phone will reset after OK is pressed.
